PRIOR ART DISCLOSURE STATEMENT

Dear Sir:

In connection with the above-entitled matter, Applicants hereby attach U.S. Patent Office Forms PTOL-1449. Also enclosed is a copy of the International Search Report from the corresponding PCT application. All of the prior references were cited either in the prosecution of the underlying present application from which the subject Divisional application derives, or in the PCT application. Copies of the various prior art references listed in Forms PTOL-1449 were provided in the parent application. Accordingly, additional copies of these references are not being provided since they are duplicative.

This prior art disclosure statement is being made pursuant to the duty of disclosure imposed by law and formulated in 37 CFR 1.56(A). No representation is made that the information thus disclosed in fact constitute prior art or that it is the closest prior art, inasmuch as 37 CFR 1.56(A) relies on a materiality concept which depends on subjectivity.

This Prior Art Disclosure Statement is being filed before issuance of the first Action on the merits. Accordingly, no fee is believed necessary.
